Ayurveda Services

Ayurveda does not merely focus on disease. Instead, it has a holistic approach and focuses on the importance of strengthening the whole body and maintaining the energy balance. A minimal amount of effort can cure the disease if the energy of the person is balanced. If the body's natural immune systems are strong then the body can easily defend any disease.

Physiotherapy Services

Physiotherapy is a treatment of injuries, pains, muscle fractures and illness of the body without the use of medicines or drugs. Using a combination of proven techniques and evidence-based natural methods like exercises and a range of massages, a physiotherapist aids in diagnosing the disorder and suggest a treatment plan best suited to improve the patient's physical well-being and restore them back to normalcy.

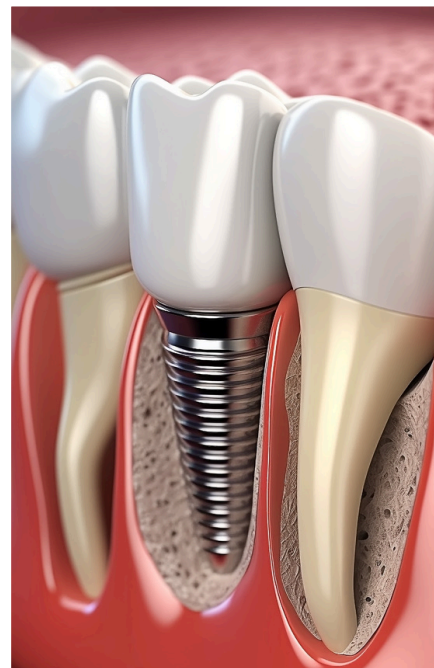

Our Physiotherapy services help treat a wide range of health and wellness issues, including:

- MUSCLE AND JOINT PAIN/WEAKNESS
- BACK AND NECK PAIN
- CHRONIC PAIN AND ACUTE PAIN
- SOFT TISSUE INJURIES
- CARTILAGE DAMAGE
- AND MORE.

Dental Services

We provide series of dental treatments to achieve a better smile, it includes orthodontics treatment, tooth colour restorations and veneers.
